

Dance On (1995 Remastered Version)

The Shadows

Talking to my friend, I turned around
And saw a total stranger
Hiding out for safety's sake

I found, I put myself in dangerThere must be someway I can try to find
An answer to the questions in my mind
Or will I have to always spend my time
Dancing in the shadows

Dancing in the shadowsI saw somebody earning more and more
But he was getting poorer
It seems to me the
More things that you know

The less you can be sure ofThere must be someway I can try to find
An answer to the questions in my mind
Or will I have to always spend my time
Dancing in the shadows

Dancing in the shadowsOoh, there are words
I never make rhyme
It's like black, it's like whiteDancing in the shadows

Dancing in the shadowsTalking to my friend, I turned around
And saw a total stranger
Hiding out for safety's sake

I found, I put myself in dangerThere must be someway I can try to find
An answer to the questions in my mind
Or will I have to always spend my time
