

Naturally (feat. JMSN)

Early Mac

She's in the VIP taking selfies with her girlfriends
She knew the owner of the club so she easily got her girls in
Dudes want her number in they phone so they can take her home
But they ain't get it though

She's in the VIP taking selfies with her girlfriends
She knew the owner of the club so she easily got her girls in
Dudes want her number in they phone so they can take her home
But they ain't get it though
