100 Suns

Verses All

I believe in nothing
Not the end and not the start
I believe in nothing
Not the earth and not the stars
I believe in nothing
Not the day or not the dark (Not the day and not the dark)
I believe in nothing
But the beating of our hearts

I believe in nothing
100 suns until we part
I believe in nothing
Not in sin and not in God
I believe in nothing
Not in peace and not in war
I believe in nothing
But the truth in who we are (But the truth and who we are)
