

Inside Out

Traveling Wilburys

Look out your window
That grass ain't green
It's kinda yellow
See what I mean? Look up your chimney
The sky ain't blue
It's kinda yellow
You know it's true It's so hard to figure what it's all about
When your outside's in
(Inside out)
And your downside's up
(Upside down) Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside out Look down your drain pipe
What color do you see?
It's got to be yellow
Don't try to fool me And don't it make you wanna twist and shout
When your outside's in
(Inside out)
And your downside's up
(Upside down) Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside out Be careful where you're walking
You might step in something rough
Be careful when you're talking
And saying all that stuff Take care when you are breathing
Some thing's funny in the air
And somethings, I'm not saying
'Bout what's happening out there
It's inside out Look into the future
With your mystic crystal ball
See if it ain't yellow
See if it's there at all Ain't no shadow of doubt
Don't it make you wanna twist and shout
When your outside's in
(Inside out)
And your downside's up
(Upside down) Yeah, your upside's right
(Right side up)
Yeah, don't it make you wanna twist and shout
When you're inside out Inside out

Right side up
Yeah, don't it make you wanna twist and shout
When you're inside out
Inside out, inside out
