

Schizophrenic Playboys

The Cranberries

She's got a tricking as she combs
Her hair, her hair, her hair, her long long hair
The guys discover that you're already scared, you care, they care, the others care
She puts some lipstick that is scarlet red
She's already fairly off her head
Fishnets stockings and a bottle of wine
She's fine, she's fine, she thinks she's fine.

Girls, you better watch out
Schizophrenic playboys
Scaring of your bed toys
Girls, you better watch out
Schizophrenic playboys
Scaring of your bed toys

Baby, baby when you'll come with me, with me, with me,
Please come with me.
I'll show you places that you'd never be,
To be, to be, to come with me
Driving faster now in his car
Now she knows that she has gone too far
In the morning she was in his bed,
His bed, his bed, her eyes are red.

Girls, you better watch out
Schizophrenic playboys
Scaring of your bed toys
Girls, you better watch out
Schizophrenic playboys
Scaring of your bed toys

I'm in, I'm out, I'm in, I'm out, I'm out, I'm in
Boys, you better watch out
Schizophrenic playgirls
Scaring of your bed pearls
Girls, you better watch out
Schizophrenic playboys
Scaring of your bed toys
