C'mon Ya like to have money in your pocketbook

That's alright

Ya gotta lotta sense

Runnin' through your bones

And that's alright Your mama got to be fine

Your probably breastfed

'Cause you look all healthy

Ooh

With your tinted pretty eyes

Put on

With the swerve in your hip

Order

Can I get a drink?

Yeah

Pull the bar from your purse

Tip

Start singin' my shit

With the chorus

First Ya like to have money in your pocketbook

That's alright

Ya gotta lotta sense

Runnin' through your bones

And that's alright You like to be in the know

With all the major figures
