

Brother Jukebox

Chesnutt, Mark

Brother Jukebox -- Mark Chestnutt

CHORUS:

] Brother jukebox

] Sister wine

] Mother freedom

] Father of time

] Since she left me, by myself

] You're the only familiee, I've got left I go down to that ol' cafe

Where I try to wash my troubles away

I'm still down and I'm still all alone

But it beats stayin' home all night long-- CHORUS --I go home, and I climb that ol' stairway

And I tell myself that tommorow's a new day

But I know, I'll just go out again

And spend my time with my new next of kin-- CHORUS (Twice) --You're the only familiee, I've got left
