Little Bitty

Alan Jackson

Have a little love on a little honeymoon You got a little dish and you got a little spoon A little bitty house and a little bitty yard A little bitty dog and a little bitty carWell, it's alright to be little bitty A little hometown or a big old city Might as well share, might as well smile Life goes on for a little bitty while A little bitty baby in a little bitty gown It'll grow up in a little bitty town Big yellow bus and little bitty books It all started with a little bitty lookWell, it's alright to be little bitty A little hometown or a big old city Might as well share, might as well smile Life goes on for a little bitty while You know you got a job and a little bitty cheque Six pack of beer and a television set Little bitty world goes around and around Little bit of silence and a little bit of soundA good ole boy and a pretty little girl Start all over in a little bitty world A little bitty plan and a little bitty dream It's all part of a little bitty schemeIt's alright to be little bitty A little hometown or a big old city Might as well share, might as well smile Life goes on for a little bitty while It's alright to be little bitty A little hometown or a big old city Might as well share, might as well smile
