Here's To Us

Halestorm

We could just go home right now
Or maybe we could stick around
For just one more drink
Oh yeah
Get another bottle out
Let's shoot the shit, sit back down
For just one more drink
Oh yeah
Here's to us
Here's to love
All the times the we fucked up
Here's to you
Fill the glass
Cause the last few days have kicked my ass
So let's give 'em hell
Wish everybody will
Here's to us
Here's to us
We stuck it out this far together
Put our dreams through the shredder
Let's toast cause things
Got Better
And everything can change like that
And all these years have gone so fast
But nothing lasts
Forever
Here's to us
Here's to love
All the times the we messed up
Here's to you
Fill the glass
Cause the last few nights have kicked my ass
If they give you hell
Tell 'em go fuck themselves
Here's to us
Here's to us

Here's to all that we kissed
And to all that we missed

To the biggest mistakes
That we just wouldn't trade
Here's to us breaking up
Without us breking down
To whatever's coming our way
Here's to us
Here's to love
All the times that we fucked up
Here's to you
Fill the glass
Cause the past few days have kicked my ass
So let's give 'em hell
Wish everybody will
Here's to us
Here's to us
Here's to love
All the times the we messed up
Here's to you
Fill the glass
Cause the last few nights have kicked my ass
If they give you hell
Tell 'em go fuck themselves
(Go fuck themselves)
Here's to us
(Here's to us)
Here's to us
(Here's to us)
Here's to us
Here's to love
Here's to us
(Wish everybody will)
Here's to us
Here's to love
Here's to us
Here's to us
