

# Don't Change On Me

B.B. King

Girl, you're my sunshine  
You chase away the raindrops  
Make it all worthwhile, make all the pain stop  
Just like a river you keep love flowin'  
Don't let all the world stop, keep it goin'Ooh, I like you just the way you are (I love you just the way you are)  
Honey, don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Please, don't change on me (Don't change on me)Girl, you're my lucky star (I love you just the way you are)  
Don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Don't ever changeI used to wonder, where would I find  
Some kind of happiness and peace of mind?  
I was living in darkness, oh but then you came  
Bringin' in the sunlight, an' easin' my painOoh, I like you just the way you are (I love you just the way you are)  
Honey, don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Please, don't change on me (Don't change on me)Girl, you're my lucky star (I love you just the way you are)  
Don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Please, don't ever changeIf there's a heaven, umm-mmm, then this is my prayer  
Lord knows, I want to know you, if we ever should meet there  
And then forever we'll walk together  
Nothin' but sunshine, and no more stormy weatherOoh, I like you just the way you are (I love you just the way you are)  
Honey, don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Please, don't change on me (Don't change on me)Girl, you're my lucky star (I love you just the way you are)  
Don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Don't ever change (Oh, don't ya change)Ooh, I like you just the way you are (I love you just the way you are)  
Honey, don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Please, don't change on me (Don't change on me)Girl, you're my lucky star (I love you just the way you are)  
Don't change on me (Don't change on me)  
Don't change on me (Don't change on me)  
Don't ever change (Ah, don't ya change)(I love you just the way you are)  
(Don't change on me)  
(Don't change on me)  
(Don't change on me)(I love you just the way you are)

(Don't change on me)  
(Don't change on me)  
(Ah, don't ya change)(I love you just the way you are)  
(Don't change on me)  
(Don't change on me)  
(Don't change on me)(I love you just the way you are)  
(Don't change on me)(Don't change on me)
