

Cocaine Blues (Luke Jordan)

[Nick Drake](#)

Got my baby dressed in white
Hey baby won't you stay the night
Cocaine all around my brain
Got my baby dressed in red
Hey baby won't you come to bed
Cocaine all around my brain
Hey baby won't you please come quick
This old cocaine's makin' me sick
Cocaine all around my brain
Got my baby dressed in green
Hey baby can't be seen
Cocaine all around my brain
Hey baby won't you please come quick
This old cocaine's makin' me sick
Cocaine all around my brain
Got my baby dressed in read
Hey baby won't you come to bed
Cocaine all around my brain
