Strangers

Marissa Nadler

Strangers lit the fire
Strangers came
In and out all the sameAnd I saw them coming
Saw the way
Danger came around
With their heavy gaitI am a stranger now
I am a stranger now
I am a stranger now
Playing in the dark
You stood silhouetted as sky changed
Through the roots that I now retraceStrangers lit the fire
Strangers came
In and out
All the same
I am alone now
I am alone now
I am alone now
Playing in the dark
