

Habit

Ivory Hours

I know I let love slip away
I know you're done with me
But when I see your pretty face
I can barely breathWe talk as if we never met
You know that's fine with me
I just pretend I'm innocent
Till I watch you leaveCause you're my habit
I can't let you go
You're my habit
Ya you feel like home
I know you mean it
When you say goodbye
But I don't feel it
Looking in your eyesI never ask how long it's been and
You never say his name
You know it leaves me wondering
If he's gone awayI know it's all inside my head
These mixed up memories
I'm happiest when we forget
You don't belong to meCause you're my habit
I can't let you go
You're my habit
You feel like home
I know you mean it
When you say goodbye
But I don't feel it
Looking in your eyesAnywhere I go,
You follow
Anywhere I go,
You follow
And I let youI know I let love slip away
