

# Desperate Times

**John Wetton**

Time and time again  
I stand at the crossroad  
Where the weight of my burden  
Eclipses my resolve  
This broken path, I've chosen  
I walk it alone  
Though I feel forgotten  
You've carved my name in stone  
In these desperate times  
This I plead  
When all else fails  
Remember me  
This is daily crucifixion  
And these rusted nails leave scars  
My jagged crown is on my side  
Because it never fell  
In these desperate times  
This I plead

When all else fails  
Remember me  
This is a blood oath  
They mean nothing to me anymore  
But your voice means more to me  
Than you'll ever know  
There's no question  
You're the answer  
I will find you  
In these desperate times  
This I plead  
When all else fails  
Remember me  
In these desperate times  
This I plead  
When all else fails  
Remember me
