Let Me In

Basia Bulat

I been standing at the door outside
When you gonna let me in
I been waiting
For a show tonight
When you gonna let me in
Are you ever gonna let me in
Oh, you don't let me
Never gonna let me in
Are you ever gonna let me in
Oh, you cant let me
Never gonna let me
Oh, will you let me-
I been patient for a long long while
Hoping for a lock to give
If you're worried I'll keep you up all night
How you gonna let me in
Are you never gonna let me in
Oh, you don't let me
Never gonna let me in
Are you ever gonna let me in
Oh, you can't let me
Never gonna let me in
Are you ever gonna let me in
Not without asking
Never gonna let me in
If you're ever gonna let me in
You better hurry
How you gonna let me in
Oh, will you let me in
Oh when it's getting hard
And no one else is in sight
And all this waiting for you makes me hope
That after all this time
Turned on the light
I can't stay now without a sign
I been stranded at the door outside
You're never gonna let me in
I've been patient but I'm older now
And now you're gonna want me when

You're not ready for the lock to give
No, you don't let me
Never gonna let me in
Were you ever gonna let me in
No, you can't let me
Never gonna let me in
Were you ever gonna let me in
Not without asking
Were you ever gonna let me in
Not without begging
Never gonna let me in
I'll be waiting for a lock to give
I been waiting for a lock to give
You better hurry
How you gonna let me in
Oh, will you let me in
Oh, will you let me in
