Lightness

Sam Paganini

There's a tear in the fabric of your favorite dress
And I'm sneaking glances.
Looking for the patterns in static
They start to make sense the longer I'm at it.[Chorus]
Ivory lines leadYour heart is a river that flows from your chest
Through every organ
Your brain is the dam
And I am the fish who can't reach the core.[Chorus]Oh, instincts are misleading
You shouldn't think what you're feeling
They don't tell you what you know you should want.[Chorus: x2]Oh, instincts are misleading
You shouldn't think what you're feeling
They don't tell you want you know you should want.[Chorus: x2]
