

Blind Dogs

Rudimentary Peni

The unseeing eyes of the blinded pupils
Unseeing guidance, the lead of the blind dogs
Token gestures from life-long investors
Questions only for those who question
A vicious circle of passive acceptance
Passive acceptance of a vicious circle
Prevention by convention of infantile dissention
Creates a self-sufficient form of self oppression
Numbing of awareness, a craving to be led
The image of a hero planted in your head
A vicious circle of passive acceptance
Passive acceptance of a vicious circle
Questions only for those who question
The lead of the blind dogs, dogs of war
