

# Very Early

[Tierney Sutton](#)

Very early  
Love came quickly  
When I first saw you  
You were all I ever wanted  
Strange how early I knew

Very early  
I came running  
Like an eager child  
Love was all I ever asked for  
Love was wondrous and wild

Now the early rain beats on my window  
Sweet the sound rain can make  
Nice to lie here, softly sighing  
You and I here
