

Woman Woman

[Johnny Bristol](#)

Woman oh woman
Have you got cheating on your mind, on your mind
Something's wrong between us that your laughter cannot hide
And you're afraid to let your eyes meet mine
And lately when I love you, I know you're not satisfied Woman oh woman
Have you got cheating on your mind, on your mind
I've seen the way men look at you, when they think I don't see
And it hurts to have them think that you're that kind
But it's knowing that you're looking back, that's really killing me Woman oh woman
Have you got cheating on your mind, on your mind
A woman wears a certain look when she is on the move
And a man can always tell what's on her mind
I hate to have to say it but that look's all over you Woman oh woman
Have you got cheating on your mind
Oh woman oh woman
Have you got cheating on your mind
