

# She Digs That Hole

## Monster Magnet

I, I can't sleep at night  
Cause that's the only time when I feel truly free  
And I just want to drive my car  
I don't know where I'm going but at least I ain't standing still  
I'm feeling nervous and my doctor says to me "Boy, that ain't nothing that a pill won't cure  
Me, this is all about  
me  
I'm a buzz-word, bluetooth jerk-off on TV  
And I ain't gonna try too hard  
I wanna win a contest and break off my pieces of the American dream  
Give me a bonus 'cause the world has fried my head  
I just want what I deserve  
Dig that hole  
I said to dig that hole, baby  
I, I want to start a fire  
Fly a jet, save a dog or get paid for being right  
But I can't understand this world  
The kids just seem to wanna spray paint the word  
"nigger  
" on the wall  
Guess I forgive them for they know not what they do  
Maybe society's just lost it's cool  
Dig that hole  
C'mon, c'mon dig that hole
