Give Me A Chance

Lea Salonga

(odette quesada)"i need you..." is all that I can say
But deep inside of me you know
I want you more each day
But time won't let me have the chance
So, I've got to see you even at a glanceI know it's hard for you to see
Exactly how much you mean to me
Since it's just a one way street
And I'm the only who's on it
No one knows the way but meRefrain:
"i love you..." can't you hear me?
Oh, can't you please see through me
Oh, babe I need your love so badly
It's no lie so please believe me
In my heart you'll see the real me
You just gotta give me a chanceSince I got that off my chest
I need to let you know is
I really did my best
To keep this feeling inside
But there's just no place to hide
So, please be my love..."i love you..." can't you hear me?
Oh, can't you please see through me
Oh, babe I need your love so badly
It's no lie so please believe me
In my heart you'll see the real me
You just gotta give me a chanceGive me a chance...
Give me a chance...
Give me a chance...
Give me a chance...
