

Bi-racial

Sean Fury

Doo-dee-oop-dee, Doo-dee-oop-dee
Doo-dee-oop-dee, Doo-dee-oop-dee, Doo-dee-oop-dee
Doo-dee-oop-dee, Doo-dee-oop-dee

She's Bi-racial, she's a Bi-racial girl
She's Bi-racial, she's a Bi-racial girl

She's a Bi-racial girl, one from a rainbow world
A pretty sight to see

Not like the average kind, more like exotic mine
Come have a drink with me

She thinks (She thinks), the world's gone mad
They say she has to choose one side (One side)

She knows, the harm in choice
She won't go through it (Through it)
Ever do it (Do it)
Never prove it (Prove it)

Let it go!

She's Bi-racial, she's a Bi-racial girl
She's Bi-racial, she's a Bi-racial girl

She's a Bi-racial girl (Woo!), the one who has changed my world
She is the one for me (One for me...)

Never an average girl, more precious diamond pearls
A lovely prize to see (Prize to see...)

She thinks (She thinks), the world's gone mad
They say she has to choose one side (One side)

She knows (She knows), the harm in choice
She won't go through it (Through it)
Ever do it (Do it)
Never prove it (Prove it)

Let it go!

She's Bi-racial, she's a Bi-racial girl
She's Bi-racial, she's a Bi-racial girl

Now wait a minute!

I love you, Bi-racial girl all the time
I love you, Bi-racial girl all the time

I love you, Bi-racial girl all the time
(I wanna walk with you, I wanna talk to you)
(I wanna lay with you, you're my, you're my, you're my)

You're my girl, you're my girl!
