

The Beat Goes On (Antoine Clamaran Remix)

[Bob Sinclar](#)

The beat goes on
We're talking about evolutionThe beat goes on
Nothing's wrong with the song
We can sing it forever
Hey, look at me, I'm the one
Got to make the connectionThe beat goes onThe beat goes on
Nothing's wrong with the song
We can sing it forever
Hey, look at me, I'm the one
Got to make the connectionMove with the times
Realize it's a natural progression
Come once again
Feel the pulse, share the loveOne to one
We can now share the love
Without fear the way is clear
Because we know that the beat goes onThe beat goes on
Nothing's wrong with the song
We can sing it forever
Love, lost and found
Like the beat goes on anything at all 1.40And now is the time to relate
Take some positive action
Hey, look at me, I'm the one
Got to make the connectionAnd we can build up with what we started
With the rhythm in our hearts
We'll celebrate the changes'Cause everyday the beat goes on
We can regenerate that song
And let the evolution take us to the places
That we've never been beforeThe beat goes on
Nothing's wrong with the song
We can sing it forever
Hey, look at me, I'm the one
Got to make the connectionThe beat goes on
We can sing it forever, hey
The beat goes on
Got to make the connection
