

Detroit Made

Bob Seger

I got me a deuce and a quarter, babe
She will ride you right
Pick you up about half past nine
We can ride all night I came up from the country, baby
City's where I stay
Got me a deuce and a quarter, babe
That's all I got to say She's a Detroit made
Deuce and a quarter, babe
She's a Detroit made
Deuce and a quarter, babe Big-block she'll do all the work
So we can ride in style
Leather on those bucket seats
Carpet double pile
Chrome that takes the moonlight on
Sea to shining sea
You can hear those glass pipes rumble to the Statue of Liberty She's a Detroit made
Deuce and a quarter, babe
She's a Detroit made
Deuce and a quarter, babe Now when I first got out of high school
I drove an old farm truck
All the girls they walked right by me
Didn't even say good luck
Now I ride my 225, they all want to be my friend
I'll pick you up later tonight now baby
If you can wait till then She's a Detroit made
Deuce and a quarter, babe
She's a Detroit made
Deuce and a quarter, babe Detroit made
Deuce and a quarter, babe
Detroit made
Deuce and a quarter, babe Just about every cat I know wants in my coupe de ville
I pay half the price, I get twice as nice
And they still have to pay that bill
I can't say everything's okay riding in my car
But I got me a deuce and a quarter baby
She goes like a shooting star She's a Detroit made
Deuce and a quarter, babe
She's a Detroit made
Deuce and a quarter, babe Detroit made

Deuce and a quarter, babe
Detroit made
Deuce and a quarter, babe
