

# Welcome To The Church Of Rock And Roll

## Foxy Shazam

So what's the plan, brother man?  
We're waiting on your cue.  
There's nothing new, to listen to, we heard it through and through.  
We know you're playing the best you can,  
The truth is we don't give a damn. He's God.  
I'm God.  
Sing it! Welcome to the church of rock and roll [x6] Your music sucks, including us.  
It's time we clear our name.  
If one of you, can feel it too,  
We urge you too to do the same.  
You're all suckers, a flock of sheep,  
I'll be your shepherd, follow me. He's God.  
I'm God.  
Yeah! Welcome to the church of rock and roll [x6]
