

Night And Day

[Ringo Starr](#)

Night and day, you are the one
Only you beneath the moon and under the sun
Whether near to me or far, it's no matter, darling
Where you are, I think of you night and day
Day and night, why is it so
That this longing for you follows wherever I go?
In the roaring traffic's boom, in the silence
Of my lonely room, I think of you night and day

Night and day, under the hide of me
There's oh, such a hungry yearning burning inside of me
And its torment won't be through till you let me
Spend my life making love to you, day and night
Night and day
And its torment won't be through till you let me
Spend my life making love to you, day and night
Night and day, day and night, night and day
