Nightmoves

Michael Franks

The music begins and the titles fade in, starrin' you and me
The hero is struggling to say that his lady is far away
In her prison of wishesWe love and we fight but it's all day for night just a masquerade
We'll read till the red light is off then we go take our faces off
Like two clowns in a side showLove is like two dreamers dreamin' the exact same dream
Just another Technicolor romance on the screenLove is like two dreamers dreamin' the exact same dream
Just another Technicolor romance on the screenI keep you in frame and I whisper your name till the picture fades
The feeling is already gone, I don't know why I'm going on
Can't remember the ending
