

20/20 Vision / Night On the Town

Bruce Hornsby

I've been to the doctor, he says I'm alright
I know he's lying, I'm losing my sight
Should've examined the eyes of my mind
20/20 vision and walking 'round blind
Lost her, I've lost her, I feel so alone
Carrying a heart that is heavy as stone
Knew that she cheated, I knew all the time
20/20 vision and walking 'round blind
Just couldn't know her that way that I do
Said "she's wicked" and maybe it's true
One thing I do know, she's no longer mine
20/20 vision and walking 'round blind
With eyes wide open I laid in my bed
Wasn't for dying, I wish I was dead
This is my punishment, death is too kind
20/20 vision and walking 'round blind
I've lost her, I've lost her oh what will I do?
Bet your not happy if she's there with you
The eyes of your heart will have trouble like mine (hey)
20/20 vision and walking 'round blind
20/20 vision and walking 'round blind
Well I'm walking 'round blind
Yes I'm walking 'round blind
Walking around blind
