A Night Like This (Radio Edit)

Eric Chase

Its another, had another had a night like this
show down that youre drowning the kiss
That youre sexy, that youre sexy
when youre going dance dance
Dance danceIts another, had another had a night like this
show down that youre drowning the kiss
That youre sexy, that youre sexy
when youre going dance dance
Dance danceIts another, had another had a night like this
show down that youre drowning the kiss
That youre sexy, that youre sexy
when youre going dance dance
Dance danceI got the morning babyShe got that ..
That makes me going going
She got that, she got that, she got that body
That makes me going going
She got that, she got that
She got that
She got that
She got that body that makes me wanna going
She looks so naughty i wish that she had a twin
Girl put it on me i see you ..from the scene
Youre going .. but i was make you win
You aint .. you aint.. that she leaving with me
I got the champagne .. that you sweet
I got the feeling, got the feeling its about you and me
You got the .. girl and that is all what i needIts another, had another had a night like this
(but you never had night like this,
But you never had night like this)Its another, had another had a night like this
show down that youre drowning the kiss
That youre sexy, that youre sexy
when youre going dance dance
Dance danceI got the morning babyIts another, had another had a night like this
show down that youre drowning the kiss
That youre sexy, that youre sexy
when youre going dance dance
Dance dance
