

Hotrod Gang

Stray Cats

Well, there's a forty-nine merc goin' round
Ridin' bout half an inch off of the ground
I'm in a hotrod gang I'm in a hotrod gang
I'm in a hotrod gang I'm in a hotrod gang
Boom boom shang a lang shimmy shimmy shoo wop bang bang four barrel carburetor with a dual exhaust
Don't worry what I spend just forget about the cost
I'm in a hotrod gang I'm in a hotrod gang
I'm in a hotrod gang I'm in a hotrod gang
Boom boom shang a lang shimmy shimmy shoo wop bang bang Thirty one ford with a flat head merc
Channelled too low I'm a real gone jerk
I'm in a hotrod gang I'm in a hotrod gang
I'm in a hotrod gang I'm in a hotrod gang
Boom boom shang a lang shimmy shimmy shoo wop bang bang Oh hotrod car just movin' on down the line
Hotrod car just movin' on down the line
Well hey pretty baby one day i'm gonna make you mine We're gonna rip off the fender and chop down the top
Put her in gear and then we'll rock
I'm in a hotrod gang I'm in a hotrod gang
I'm in a hotrod gang I'm in a hotrod gang
Boom boom shang a lang shimmy shimmy shoo wop bang bang Thirty day guarantee real good deal
Everybody holler burn them wheels
I'm in a hotrod gang I'm in a hotrod gang
I'm in a hotrod gang I'm in a hotrod gang
Boom boom shang a lang shimmy shimmy shoo wop bang bang Oh hotrod car just movin' on down the line
Hotrod car just movin' on down the line
Well hey pretty baby one day i'm gonna make you mine Oh hotrod car just movin' on down the line
Hotrod car just movin' on down the line
Hey pretty baby one day i'm gonna make you mine
