

Can't Get Enough Of You

Eddy Grant

Just sit down in the back row
If you wanna play in my game.
Guess you won't have to worry
'cause all films look the same.
Just put your arms around me
And I'll make you sing out of tune.
Won't nobody watch you
'cause we're lovers in the same room. Oh wah

a one

two

three Put your sweet lips closer to me.

This is not F One two three

And this is n8t back row anymore.

I can't get enough of you Can't get enough love Can't get enough of you I can't get enough of your love.

Can't get enough of you

... Sit yourself beside me now

And imagine that we're one and not two.

I don't wanna shock you

But

Baby

I'm in love with you.

Sit yourself beside me now.

You better close your pretty eyes when I say:

Oh wah

a one

two

three

..

Oh

just one knock on my door

Baby.

And when your people ask you

At home if you enjoyed the show Did you like Clark Gable -

Say "I think so but I don't know".

Oh

say you saw a sweet guy Oh

can't remember his name -

And the way that he kissed was

Li@e Clark Gable the same. Oh wah

a one
two
three
..
