

# Let Down

## Radiohead

Transport  
Motorways and tramlines  
Starting and then stopping  
Taking off and landing The emptiest of feelings  
Disappointed people  
Clinging onto bottles  
And when it comes it's so so disappointing Let down and hanging around  
Crushed like a bug in the ground  
Let down and hanging around Shell smashed, juices flowing  
Wings twitch legs are going  
Don't get sentimental  
It always ends up driveling One day I am gonna grow wings  
A chemical reaction  
Hysterical and useless  
Hysterical and Let down and hanging around  
Crushed like a bug in the ground  
Let down and hanging around Let down and hanging  
Let down  
Let down You know, you know where you are with  
You know where you are with  
Floor collapsing, floating  
Bouncing back and One day I am gonna grow wings  
A chemical reaction  
(You know where you are)  
Hysterical and useless  
(You know where you are)  
Hysterical and  
(You know where you are) Let down and hanging around  
Crushed like a bug in the ground  
Let down and hanging around
