

# I'll Take That As A Yes (The Hot Tub Song)

Phil Vassar

You like a dozen wine red roses  
Candlelight on porcelain set tables and that's fine  
Well, I'll go out of my way for you anytime  
That's right baby The fire's warm  
So you take off your sweater  
Now it's my turn and I'll do you one better  
That's the game, we both will like to play You wink, I laugh  
'Cause we know a little hug leads to a foot rub  
Then a hot tub  
Then a French kiss on a bear rug Do you like it? Do you like it?  
How about this? Wanna try it?  
Oh, oh, oh, oh  
I'll take that as a yes You like snuggling with your pillow  
With my arms tight holding us together  
Breathing deep  
And drifting like a feather in a stream And then I touch you on the shoulder  
Feel your skin soft  
Underneath my fingers  
And I know, we'll never get to sleep You wink, I laugh  
'Cause we know a little hug leads to a foot rub  
Then a hot tub  
Then a French kiss on a bear rug Do you like it? Do you like it?  
How about this? Wanna try it?  
Oh, oh, oh, oh  
I'll take that as a yes It's written all over your face there's no mistake  
No guess, no doubt, no beatin' around the bush  
Baby it's understood You wink, I laugh  
'Cause we know a little hug leads to a foot rub  
Then a hot tub  
Then a French kiss on a bear rug Do you like it? Do you like it?  
How about this? Wanna try it?  
Oh, oh, oh, oh  
I'll take that as a yes I'll take that as a yes  
I'll take that as a yes 'Cause we know a little hug leads to a  
Foot rub, hot tub, bear rug, yeah Wouldn't you love  
Wouldn't you love  
Wouldn't you love  
Yeah, I like it, I like it  
Yes
