

Fast Way

Letters to Cleo

Why you gotta sit in my easy chair
What makes you think that I would care?
When I say to you
What are you going to do? So I got you to at least say please
That's how I know that you're on your knees
But I'm thinking too, what am I gonna do
To not take the fast way it evens out every time God how I love a boy on the go
And what you've got I just have to know
And 'cause what else is there to say
When it's such a sunny day So I got you to at least say please
That's how I know that you're on your knees
But I'm thinking too, baby, are we through
To not take the fast way it evens out every time
