

Clocks (DJ Sandstorm Remix)

Coldplay

The lights go out and I can't be saved
Tides that I tried to swim against
Have brought me down upon my knees
Oh I beg, I beg and plead, singing Come out of the things unsaid
Shoot an apple off my head and a
Trouble that can't be named
A tiger's waiting to be tamed, singing You are, you are Confusion that never stops
The closing walls and the ticking clocks gonna
Come back and take you home
I could not stop, that you now know, singing Come out upon my seas
Cursed missed opportunities am I
A part of the cure
Or am I part of the disease, singing You are, you are
You are, you are
You are, you are And nothing else compares
And nothing else compares
And nothing else compares You are, you are Home, home, where I wanted to go
Home, home, where I wanted to go
Home, home, where I wanted to go (You are)
Home, home, where I wanted to go (You are)
