You

Jim Brickman

I never felt alone
I was happy on my own
And who would ever know
There was something missingI guess, I didn't see the possibility
It was waiting all the time
But it never crossed my mind
Till you opened up my eyes
Now, all I think about isYou in my life, in my dreams
In my heart, I know it's true
That I belong with youBecause of you in my world
In my arms, I have everything and now
I can't imagine what I'd do
Without you, youI never thought that love would be
Such a curiosity
What attracted you to me
Was so unexpectedBut it was waiting all the time
And it never crossed my mind
'Til you opened up my eyes
Now, all I think about isYou in my life, in my dreams
In my heart, I know it's true
That I belong with youBecause of you in my world
In my arms, I have everything and now
I can't imagine what I'd do
Without youYou in my life, in my dreams
In my heart, I know it's true
That I belong with youBecause of you in my world
In my arms, I have everything and now
I can't imagine what I'd do
WithoutYou in my life, in my dreams
In my heart, I know it's true
That I belong with youBecause of you in my world
In my arms, I have everything and now
I can't imagine what I'd do
I can't imagine what I'd do
Without youWithout you
