

You & I

Johnny Orlando

Girl

Let me tell you
A little something, about myself
That you might not know
I, I can't forget you
You got me going crazy
Just thinking 'bout you, yeah Come to me, I'll take the lead
Take my hand and follow me
Then you might begin to see that
It's just you and I Take a few steps, come a little bit closer
Don't be shy, we can dance right here tonight
I don't wanna wait to get to know ya
Tonight, is the night for you and I I know that you're confused
And you try to hide yourself
But I don't play no games
Cause games ain't fair
You always look away
But that's okay
Cause I know that it's new
To feel this way Now I know it might be hard
When your friends talk about me
But that's just jealousy, you wait and see
All the gossip all the rumours
They never mean a thing
Cause in the end,
It's just you and me Come to me, I'll take the lead
Take my hand and follow me
Then you might begin to see that
It's just you and I Take a few steps, come a little bit closer
Don't be shy, we can dance right here tonight
I don't wanna wait to get to know ya
Tonight, is the night for you and I So let's not complicate things
And take it nice and easy
Don't doubt what you and I could be, oh Come to me, I'll take the lead
Take my hand and follow me
Then you might begin to see that
It's just you and I Take a few steps, come a little bit closer
Don't be shy, we can dance right here tonight
I don't wanna wait to get to know ya

Tonight, is the night for you and I
Tonight is the night for you and I
(For you and I)
(For you and I)
Tonight is the night for you and I
(I don't wanna wait)
