Back to the Sea

The Thermals

Two by two
Lord, we'll take 'em two by two
We'll lead 'em to the bedroom floor
We'll lead 'em in the dead of morning
Two by two
Lord, we'll take 'em two by two
We'll lead 'em through the pouring rain
We'll lead 'em to the gas chamber

But not me
I'm gonna crawl
I'm gonna crawl
I'm gonna crawl
Back to the sea

Judge us now
Lord, won't you judge us now?
We know exactly who we are
We know exactly what we do
Judge us now
Lord, won't you judge us now?
Everybody, stand on two legs
Everybody, kneel on two knees

And I'm turnin' around
And I'm gonna crawl
I'm gonna crawl
Yeah, I'm gonna crawl
Back to the ocean I know
Back to the ocean I need
Back to the sea

And all I need to enroll is to believe

So I'm gonna crawl
I'm gonna crawl
I'm gonna crawl
Back to the sea
