

Do You Believe Me Now

Vern Gosdin

Don't you think you should have called
To tell me you were coming down
Oh you look so out of place
On this troubled side of town It's a place where losers go
When they know there's nothing left
And after losing you
I just lost the will to live Do you believe me now?
I told you time and time again
My heart and soul is in your hands
Do you believe me now? Do you believe me now?
Look at the livin' dyin' proof
I ain't nothin' without you
Do you believe me now? I don't know what changed your mind
I won't ask if this is real
I don't know if you're a dream
I only know how good it feels If you could find it in your heart
To say the fire for me still burns
I'll find a place to turn around
Down this road of no return Do you believe me now?
I told you time and time again
My heart and soul is in your hands
Do you believe me now? Do you believe me now?
Look at the livin' dyin' proof
I ain't nothin' without you
Do you believe me now?
