

My Beloved

[Chris Tomlin](#)

My beloved mine, I His,
My beloved mine, I His,
My beloved mine, I His, His precious blood was spilled,
His precious blood was spilled,
His precious blood was spilled,
My beloved mine, I His, He raised my life up from the dead,
He raised my life up from the dead,
He raised my life up from the dead,
My beloved mine, I His, When my eyes shall see His face,
When my eyes shall see His face,
When my eyes shall see His face,
My beloved mine, I His, Mighty God, Faithful One,
My Beloved, my Beloved,
You're the Lamb of God,
You're the Holy One,
My Beloved, my Beloved, my Beloved, My Beloved mine, I His,
My Beloved mine, I His,
My Beloved mine, I His,
