Just One Victory

Utopia

We've been waiting so long
We've been waiting so long, oh
We've been waiting for the sun to rise and shine
Shining still to give us the willCan you hear me, the sound of my voice?
I am here to tell you I have made my choice
I've been listening to what's been going down
There's just too much talk and gossip going 'roundYou may think that I'm a fool but I know the answer
Words become a tool, anyone can use them
Take the golden rule as the best example
Eyes that have seen will know what I meanHold that line, baby hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby hold that lineIf you don't know what to do about a world of trouble
You can pull it through if you need to and if
You believe it's true, it will surely happenShining still, to give us the will
We've been waiting so long, waiting so long
Been waiting so long, waiting so longShining still, to give us the will
Bright as the day, to show us the way
Somehow, someday
We need just one victory and we're on our wayWe've been prayin' for it all day
And we're fightin' for it all night
To give us just one victory, it will be all right
We may feel about to fall but we go down fightingYou will hear the call if you only listen
Underneath it all we are here together
Shining still, to give us the will
Now bright as the day, to show us the wayHold that line, baby hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby hold that lineHold that line, baby hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby hold that lineHold that line, baby hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby hold that lineHold that line, baby hold that line
Get up boys and hit 'em one more time
We may be losing now but we can't stop trying
So hold that line, baby hold that line
