We Are In Love (DVBBS & LOVEHAUS Remix)

Cider Sky

Say you spent your summer in the rain
Driving up the coast I felt the same
Covered me in grey until I saw you
Just another day until I saw you
It doesnt matter if the stars forget us
It doesnt matter if the world dont know our names
It doesnt matter if they talk about us
It doesnt matter cause we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
Every color in the world is in your eyes
And everywhere you look you shine a light
Hollow as the night until I saw you
I came back to life when I saw you
It doesnt matter if the stars forget us
It doesnt matter if the world dont know our names
It doesnt matter if they talk about us
It doesnt matter cause we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
Is it real or are you joking
Its not true until its spoken
say the words if you dare to know them!
say the words if you dare to know them!
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
we are in, we are in love
