

Living Rooms

Revis

So what's your purpose for me
With your intentions in the air
So what if I wanted to ask you
If I could meet you thereGo inside
I'm coming through for you
I could not be more goneWe watched each other escape
From the commotion that we knew
The way our languages fade
In through an empty living roomGo inside
I'm coming through
Into our world that you surround
Show me now
I'm here with you
For you I could not be more gone
