Seek

Golgatha

Seek and you will find
An answer to your question
It lies not in a silver box
Not in a chamber under lock

You'll never find it if you look among the rich
You'll never find it if you look among the famous
But if you look inside yourself
You'll find the answer waiting there

The steps that lie ahead are not the easy ones
Go reach for the handle on the door
Live in the experience of the day
Go reach for the handle on the door
It's always open for those that seek
The answer is well worth waiting for

You will find the riches of the world
Are buried, deep inside your soul
So just sit back and try to look inside yourself
Go reach for the handle on the door
Seek and you will find.... (Seek and you will find)

It lies not in a silver box
It lies not in a chamber under lock
It lies deep in your soul
It lies deep in your soul
