In Your Wildest Dreams

Tina Turner

Oh baby , oh baby
The sun goes down
And the moon comes up
My heart is pumping for you
And a mad thing startsNever in your wildest dreams
Did you ever get this feeling
Never in your wildest dreams
oh no
Never in your wildest dreams
Could it ever be this easy
Never in your wildest dreamsThe night is hot outside your window
I hear people walking, people talking
I smell your skin, I feel you breathing
Don't let me go, not yet, not yet, not yet, not yetNever in your wildest dreams
Did you ever get this feeling
Never in your wildest dreams
oh no
Never in your wildest dreams
Did it ever get this easy
Never in your wildest dreamsThe world is slowly turning
As it turns I see your face, touch your eyes, your lips, spaceWe've arrived at the place where they open hearts
And fill them up with love, filled with love, filled with love
This one's pumping for you
As a mad thing startsNever in your wildest dreams
Did you ever get this feeling
Never in your wildest dreams
oh no
Never in your wildest dreams
Did it ever feel this easy
Never in your wildest dreamsOh baby, no baby (ooh sacrifice)
Never in my wildest dreams (ooh sacrifice)
