It's All About You

Keith Sweat

It's all about you
It's all about you
It's all about you
It's all about you
It's all about you
It's all about you
It's all about you
It's all about you
Lady, yeah, let me rub you back
It's your turn, girl, to be pampered
Pour oil down on me and it's wonderful you
And, girl, tonight I'm gonna cater to you
(It's all about you)
It's all about you, babe
(It's all about you)
Nobody else but you
(It's all about you)
All about you tonight, yeah
Yeah, yeah, yeah, yeah, yeah
(It's all about you)
It's all about you, babe
(It's all about you)
Nobody else but you
(It's all about you)
All about you tonight, yeah
Yeah, yeah, yeah, yeah, yeah, yeah
Right now, baby
The mood is right for us
Girl, I'll make your body happy
Keep you relaxed, yeah, till you want to
Close your eyes and forget your worries
Let me do that for you
Let your hair down, girl, relax
Let me show you that it's all about you
(It's all about you)
It's all about you, girl
(It's all about you)
Nobody else but you
(It's all about you)

Baby, yeah
Yeah, yeah, yeah, yeah, whoa, oh, oh
(It's all about you)
All about you, my baby
(It's all about you)

Wanna drive you real crazy
(It's all about you)
It's all about you tonight
Yeah, yeah, yeah
Girl, I do appreciate you spendin' this time with me
Here alone, girl, you know the night above me
Out of everywhere in the world, I'd rather be with you
I can count the things one by one, I wanna do to you
(It's all about you)
Yeah, it's all about you, my baby
(It's all about you)
Nobody else but you
(It's all about you)
Nobody else, baby, hey
Can make me feel the way you do
(It's all about you)
Baby, gonna change your mind
(It's all about you)
Make you feel good the whole damn life
(It's all about you)
It's all about you, my babe
Tell me what you like, let me drive you crazy, girl
(It's all about you)
Girl, [Incomprehensible]
(It's all about you)
I take care of you in any way I can
(It's all about you)
Whatever you want, I've got you, baby
Yeah, yeah, yeah, yeah, yeah
(It's all about you)
It's all about you tonight, baby
(It's all about you)
Lay down, let me drive your body, baby
(It's all about you)
Whatever you want tonight, yeah
I got you, babe, I got you, babe
(It's all about you)
I got you, babe
(It's all about you)

I got you, babe, I got you, babe
(It's all about you)
(It's all about you)
