

# Song for the Unloved

## Backstreet Boys

This one's for the mothers who have lost a child  
This one's for the gypsies who left their hearts behind  
This is for the strangers sleepin' in my heart  
They take what they want and leave while it's still dark  
No one is glamorously lonely, all by themselves  
This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved  
This one's for the bridesmaid, never the bride  
And this one's for the dreamer who locked his faith inside  
And this is for the widows who think there's only one  
For the dying fathers who never told their sons  
No one is glamorously lonely, follow your heart  
This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved  
Tomorrow the sun will shine  
And dry the tears in your eyes  
Suddenly love comes alive  
For one last cry, for one last cry  
This is a song for the unloved  
And this is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
This is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
Help me leave the past behind  
This is, this is a song for the unloved  
This is the music for one last cry  
This is a prayer that tomorrow will  
Help me leave the past behind  
It's a song for the unloved
