

The Old Days

Dr. Dog

Let go of the old ones
We've got some new ones
Hold on to the good stuff
And let go and get real toughDown, down, down
Moon gonna fall down
Thump, thump, thump
House gonna fall downChop, chop, chop
Tree gonna fall down
Down, down, down
Down to the bottomTrigger, when you pull it
Go home with a bullet
No birds in the birdcage
Flew off in his old ageDown, down, down
Moon gonna fall down
Thump, thump, thump
House gonna fall downChop, chop, chop
Tree gonna fall down
Back, back, back
Back to the old days
The old daysSo full in the morning
Put on your dog skin
Wrap up the money
Save it for a sunnyDay, day, day
Moon gonna fall down
Thump, thump, thump
House gonna fall downChop, chop, chop
Tree gonna fall down
Back, back, back
Back to the old days
