Missing Piece Lyrics

By: David Choi I feel like a boat without a sailor

I go where the wind blows

Just moving around like a lonesome stranger

I got no home In search of a treasure

Some place I don't know

It feels like forever

I'm making my way

Through the hills and deserts

I thirst for hope I don't know

What I'm looking for

But I'll know

When I find it There is a missing beat

Inside of me

The rhythm of my heart

Hits unevenly

There's a missing piece

Inside of me Trying to figure it out

But it amounts to nothing

I want to realize

But nothing I find

Ever feels like the real thing

Can you empathize? I don't know

What I'm looking for

But I'll know

When I find it Chorus I'm lost inside

A cold bitter world

I can't understand the need

It's makes it so hard to breathe Chorus
