

# Baby Doll

Chan Romero

Girl you don't know what you are to me  
You are my baby doll  
You are my compass star  
You drive me up the wall  
Girl you don't know what you mean to me  
You are my everything  
You are my alien  
From S-p-a-c-e  
Please don't go  
Wait  
I just met you  
Please don't go  
Wait  
I just met you  
Please don't go  
Wait  
I just met you  
Girl I feel just like a bird  
Though I am just a nerd  
I could fly around this world  
With power from this word  
We'll bring the desert rain clouds  
Fuck reality and doubt  
Well they'll be vultures I see  
They'll chase me  
Girl I'm flying with thee  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you  
Please don't go  
Wait  
I just met you  
You're my pop rocks  
You're my cotton candy  
When the beach is hot and sandy

You're my water  
You're my morning shower  
Subconscious melody  
You're my LSD

Someone's perfect daughter  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you  
Roses are red  
Yellow and white  
Where have you been all my life  
Violets are blue  
And I'll be too  
If you leave  
'Cause I just met you

I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go  
I gotta go  
I just met you  
I'm Sorry  
But I got to  
Got to go

I gotta go  
I just met you
